

RUN DERBY HALF MARATHON

FUNDRAISE FOR FIRST STEPS ED 9th JUNE 2019

RUN FOR YOUR LOCAL CHARITY

First Steps ED are one of the partner charities for the 2019 Derby Half Marathon and we would be happy to hear from any runners or groups looking to fundraise for your local charity.

NON-RACE VOLUNTEERS

Our team will be supporting the event organisation and we are also looking for non-race volunteers to work alongside our team on the race day to provide assistance to the event and also the section of the course where we will be promoting First Steps ED and encouraging all the racers on the day.

FIRST STEPS ED

First Steps is Derbyshire's only eating disorder charity working with schools and colleges to support students, as well as individuals and their families to provide support and guidance towards recovery.
